

Tenure-Track Faculty Position

Open to rank of Assistant Professor – Integrated Nutrient Metabolism

Faculty: Faculty of Agricultural and Environmental Sciences

Department/School: Human Nutrition

Position description

The School of Human Nutrition of McGill University's Faculty of Agricultural and Environmental Sciences invites applications for a tenure-track Assistant Professor of Integrated Nutrient Metabolism. Top priority tenoue[Po]-0 (p prevention and modulation of nutrition-related metabolic disorders, and metabolic and nutritional programming. Areas include but are not limited to genetics, epigenetics, microbiome-to-host cell signaling, and intra-

for Global Food Security. Other McGill-affiliated research and health centers (

<u>www.mcgill.ca/research/about/partners</u>) include McGill University Health Centre teaching hospitals and platforms, biobanks at McGill University Genome Quebec Innovation Centre (<u>https://www.genomequebec.com/207-en/project/mcgill-university-and-genome-quebec-innovation-centre/</u>), McGill Multi-Scale Imaging Facility (<u>https://www.mcgill.ca/ecp3/multi-scale-imaging</u>), and small and large animal research units.

McGill's academic mission (i.e. teaching, graduate student supervision, mentorship, and leadership in academic and administrative committees).

Qualifications and education requirements

The successful candidate will have a Ph.D. in nutritional sciences, or related biomedical science such as biochemistry, cell biology, molecular biology, or physiology, with a strong record of publication in high-quality reputable scholarly journals. Preference given to candidates with a minimum of 2 years postdoctoral research training, and with demonstrated experience in nutrient-mediated interorganelle and intercellular signaling and employing contemporary and integrative research approaches including next-generation sequencing, high-resolution imaging, and development of cell/organoid or transgenic models.

JOB DETAILS

Job Classification:	Tenure-track
Rank:	Assistant Professor
Job Status:	Full-time
Salary:	Commensurate with qualifications and experience
Application Deadline:	December 31 st , 2023, or until position is filled
